General Show Rules

1. For the execution of this event, regulations of the PHCG as well as the current Official APHA Rule Book apply.

2. “All Paint Registries” classes

Since this year APHA allows all disciplines listed in the rule SC-185.F to be held as a “All Paint Registries” class. This means that Solid Paint-Bred and Regular registered Paint Horses are able to start in the same class. As PHCG delegates already decided, there will be only one overall placing and one title for these combined classes. However, the APHA will continue to award points based on the number of horses of the respective registration type.

Example:

Open SPB Western Riding can be held class-in-class with the Open Western Riding. In this case, the classes are merged, but the final results recorded by the APHA for APHA points are kept separate. Therefore, the points for the Open SPB Western Riding are based on the number of SPB horses and the points for the Open Western Riding are based on the number of horses registered as a regular. This may mean that a SPB will be “German Champion Open Western Riding” but will not get any APHA points due to any other SPB’s in this class.

3. Entries will only be processed if:

- entry forms are filled out correctly and have been received in time by mail, email or fax. Alternative you could send in your entry with our online-form at www.german-paint.de ; this has to be send in in time also. All entry and stable fees are paid and credited to the PHCG account until seven days after the entry deadline
- late entries are only possible in classes that would not have been scratched at the entry deadline and only until 6 p.m. on the evening before the class is held
- **ATTENTION: To start in APHA classes Exhibitor and Owner must be current members of APHA**
- Memberships and (Novice) Amateur/Novice Youth Cards can be purchased at the Show Office. **Extra Rush Fee will be charged for cards. Fees for APHA memberships and cards can only be paid cash. No credit cards accepted!**

4. Refunds:

Presenting a vet/med certificate before the beginning of the show we will refund half of the entry fee. Cattle charges and office charges will on principle not be repaid. Fees for stalls are only refunded if the Show Management can rent out those stalls again to other parties.

5. Doping:

By submitting the entry form, riders, exhibitors and horse owners agree to the drug testing (urine and/or blood) of their horses. A horse cannot be shown in any class if a prohibited substance has been administered to the animal in any manner. Prohibited substances are those set forth in the current Official APHA Rule Book as well as the current FEI list of prohibited substances. The Show Manager decides in any individual case if a medication will be accepted (medication sheet).

In case of violations, horse owners, riders and horses will be disqualified from the entire event. By submitting the entry form, the horse owner/participant agrees to bear the entire costs of the doping test in case of a positive result and to give back any titles, awards and prize moneys won.

6. Vaccination/Equine Passport/Health Certificate:

- c. Horses stalled outside of Germany must submit a health certificate.

- b. National laws in Germany prohibit all clipping of hair around nose, mouth, eyes and inside ears. If a horse is clipped, the person in charge of the horse is subject to disciplinary action by the state veterinarian.

8. Data protection

With sending the entry form, all listed fields will be transferred to PHCG e.V. and thus to the show office mentioned in the announcement. The use is for hosting the show and the associated release in the program, on the entry list and the result list. There is no data transfer to order data processors, only the results are passed on to the American Paint Horse Association at Fort Worth/USA. The legality of this processing is given by the condition GDPR Art 6 (1) b – “processing to fulfil a contract”. Participation at this show without acknowledging this point is not possible.
